The Corporation of the Township of Augusta Comprehensive Zoning By-law

1.0 Foreword

This Zoning By-law affects all lands within the Township of Augusta. To use this By-law, locate the subject property on the map schedules provided and determine the zone(s) which affect(s) the land. Then review the specific regulations relating to the zone(s) in Section 5: Zones. It is also important to review Section 4: General Provisions and any applicable definitions in Section 3: Definitions.

Amendments to this By-law may be approved by Council subject to the provisions of the Planning Act. Minor changes to zoning standards or permitted uses, known as a Minor Variance or a Permission may granted by the municipality's Committee of Adjustment. Zoning changes and Committee of Adjustment decisions require that formal applications be submitted to the Municipality and also require public notification and consultation.

Should you have any questions about the interpretation of the wording of this by law or the process involved obtaining relief from its provisions, please contact the Clerk of the Township of Augusta.

2.0 By-law

The Corporation of the Township of Augusta
By-law No. 2965

Being a By-law to regulate the use of land, buildings and structures within Township of Augusta;

WHEREAS authority is granted pursuant to Section 34 of the Planning Act, R.S.O. 1990, to Councils of Municipalities to enact by laws regarding the use and the erection and use of buildings or structures within the municipality;

NOW THEREFORE the Council of the Corporation of The Township of Augusta enacts as follows:

3.0 ADMINISTRATION

3.1 TITLE

This By-law shall be known as the Zoning By-law or By-law No.2965 of the Corporation of the Township of Augusta.

3.2 DEFINED AREA

The provisions of this By-law shall apply to all lands within the municipal boundaries of the Corporation of the Township of Augusta.

3.3 ADMINISTRATION

This By-law shall be administered by the Clerk or such other person as may from time to time be designated by Council, and no permit for the use of land or for the erection or use of any building or structure or approval of application for any municipal license within the jurisdiction of the Council shall be issued or given where the proposed building, structure or use would be a violation of any provision of this By law.

3.4 APPLICATIONS AND PLANS

In addition to the requirements of any Building By-law, every application for a building permit shall be accompanied by a plan, drawn to scale and showing the following:

- The true dimensions and/or legal description of the lot to be built upon or otherwise used;
- The proposed location, height and dimensions of any building, structure or use proposed for such lot;
- The proposed location, height and dimensions of yards, landscaping, parking areas and loading spaces required by this By law;
- The location of all existing buildings or structures on the lot, including the lot area and lot coverage of existing and proposed structures;
- A statement, signed by the owner disclosing all existing and proposed uses of land, buildings or structures and such other information as may be required to determine whether the uses conform to the requirements of this by law.

3.5 INSPECTION OF LAND, BUILDINGS AND STRUCTURES

Subject to Section 49 of the Planning Act, R.S.O. 1990, the Clerk or other such person as may from time to time be designated by Council or any person acting under his or her instructions, and upon producing proper identification, is hereby authorized to enter, at all reasonable times, upon any property or premises for the purpose of carrying out his/her duties under this By law.

Notwithstanding any provisions of Section 3.5 hereof to the contrary, no officer or employee of the Corporation shall enter any room or place actually being used as a dwelling unit without obtaining the consent of the occupier, first having informed the occupier that the right of entry may be refused, except under the authority of a search warrant issued under Section 158 of the Provincial Offences Act.

3.6 PENALTY

Every person who contravenes any of the provisions of this by-law is guilty of an offence and on conviction thereof shall forfeit and pay a penalty for each such offence and every such penalty shall be recoverable under the Provincial Offences Act, R.S.O. 1990, c. P.33 and amendments thereto.

When a person has been convicted of an offence under this by-law, any court of competent jurisdiction thereafter, may, in addition to any other penalty imposed on the person convicted, issue an order prohibiting the continuation or repetition of the offence or the doing of any act or thing by the person convicted directed towards the continuation or repetition of the offence.

The requirements of this by-law are severable, if any requirements of this by-law are held invalid, the application of such requirements to other circumstances and the remainder of this by-law shall not be affected.

3.7 REPEAL AND RELATIONSHIP TO FORMER BY-LAWS

Insofar as it applies to the lands affected by this By law, By law # 1818 as amended, being the Township of Augusta Restricted Area (Zoning By-Law) By-Law, Zoning By-Law NO. 1818 passed under Section 34 of the Planning Act, 1990, or its predecessor, is hereby repealed.

The adoption of this By-law shall not prevent any pending or future prosecution of, or action to abate any existing violation of the said By laws if the violation is also a violation of any of the provisions of this By law.

3.8 VALIDITY

Should any Section or part of a Section of this By-law or Schedule hereto be declared by a court of competent jurisdiction to be invalid, the same shall not affect the provisions of this By-law as a whole or any part thereof other than the part declared to be invalid.

3.9 OTHER BY-LAWS, LICENSES, PERMITS AND REGULATIONS

Nothing in this By-law shall exempt any person from complying with the requirements of any other By-law in force within the area affected by this By law, or from applying for and obtaining any permit, license, permission, authority or approval required by this or any other By law or regulation of the Corporation or by any other law in force from time to time.

3.10 INTERPRETATION

The Interpretation Act, R.S.O. 1990 applies to this By-law.

Definitions are given in this By-law to aid in the understanding and implementation of the true spirit, intent and meaning of the By law. They are not to be used to avoid an obligation imposed by the By law or any requirement enacted in a substantive provision of the By law.

3.11 EFFECTIVE DATE

This By-law shall take effect from the date of its passing by Council, subject to the provisions of the Planning Act.

3.12 TRANSITION

1. Where a decision by the Committee of Adjustment has been issued, or where a complete application for a building permit has been received by the Township prior to the date of adoption of this by-law, development may proceed and a building permit may be issued provided that the proposed development would have been in compliance with By-law 1818.
2. Nothing in this by-law applies so as to continue the exemption provided by this section beyond the issuance of the permit upon which the exemption is founded; and in no case does the exemption mentioned in subsection (1) continue beyond the repeal of this section.
3. Once the permit, agreement or approval under subsection (1) has been granted, the provisions of this by-law apply to the land in question.
4. Section 3.12 is repealed three years from the date of enactment of this By-law.

4.0 CONFORMITY REQUIREMENTS

4.1 CONFORMITY

Save as otherwise provided in this By-law, no land, or building, or structure shall be used for any purpose, and no building, or structure, shall be erected and or altered for any purpose except as hereafter stated in this By-law and in conformity with all of the applicable provisions of this By-law.

Notwithstanding anything in this By-law, no person shall reduce any lot in dimensions, either by conveyance or other means of title of any portion thereof if the effect of such action is to cause the original, adjoining, remaining or new building, structure, lot or use of land to be in contravention of any provision of this By-law. However, no person shall be deemed to have contravened any provision of this By-law by reason of the fact that any part or parts of any lot has or have been conveyed to or acquired by any Public Authority.

Any use or structure established in violation of a predecessor of this By-law shall be deemed to be non-conforming if the violation is also in violation of any of the provisions of this By law.

6.0 GENERAL PROVISIONS

6.1 ACCESSORY BUILDINGS, STRUCTURES AND USES

6.1.1 Where a lot is devoted to a permitted use, customary accessory uses, buildings and structures are authorized provided that:

- All accessory uses, buildings and structures to a permitted principal use shall be located on the same lot and in the same zone as the principal use.
- The use of any accessory building for human habitation is not permitted except where specifically listed as a permitted use.
- No accessory Buildings, Structures and Uses shall be located closer to the front line or the exterior side lot line than the minimum front yard and external side yard setbacks required for the main building.
- Except where specified otherwise, no accessory Buildings, Structures and Uses shall be located closer than 1.2 m (4ft.) to any interior side lot line, rear lot line or the main building.
- Any building or structure which is attached to the main building shall not be considered an accessory building or structure.
- Accessory uses, excluding outdoor swimming pools, shall not cover more than 10% in any residential zone or more than 20% of the total lot area in any non-residential zone.
- The maximum gross floor area of any accessory building may not exceed 100m² (1,076 ft²) in a residential zone or 300 m² (3230 sq. ft.) in any non-residential zone. This shall be calculated as part of the maximum lot coverage permitted in any zone.

6.1.2 Air conditioners, heat pumps and pool filtration and pumping equipment shall not be permitted within a minimum interior side yard. Despite Section 6.1.1 above, a boat house, dock or wharf may be located in the front yard, side yard or rear yard where a lot abuts a navigable waterway, provided that the approval of any governmental authority having jurisdiction has been obtained and provided that the boat house, dock or wharf is located not closer than 3.0m (9.8 ft.) to the nearest adjacent lot line and does not encroach on adjacent frontage when the lot boundaries are extended into the water.

6.1.3 The maximum height of accessory buildings shall be as provided in the individual zone provisions.

6.2 AUTO SERVICE STATION, COMMERCIAL GARAGE, GASOLINE BAR, CAR WASHING ESTABLISHMENT

Despite any other provisions contained in this By-law, for all zones within which an automobile service station, gasoline bar, and/or car washing establishment is permitted the following shall apply:

6.2.1 Gasoline Pump Island Location

The minimum distance between the gasoline pump island, pumps and their related overhead canopies and any pump shall be 6.0 m (19.7 ft.) from any lot and street line.

Where the lot is a corner lot, no portion of any gasoline pump island shall be located closer than 3 m (9.8 ft.) to a sight triangle.

6.2.2 Separation of Natural Gas or Propane Tanks

No person shall erect or use a tank for the storage of natural gas or propane for sale at an automobile service station or gas bar or on any other property where vehicle fuel may be dispensed unless a license has been obtained from the Ministry of Consumer and Commercial Relations and the location is in compliance with the requirements under the Ontario Propane Code.

6.2.3 Access and Egress

The width of any entrance or exit, combined entrance or exit measured at the front lot line or exterior side lot line shall be in accordance with the Township of Augusta By-law to regulate the installation of entranceways.

6.3 BUILDINGS TO BE MOVED

No building or structure shall be moved within the limits of the Township or shall be moved from outside the Township into the Township unless the building or structure is a permitted use and satisfies all the requirements of the zone in which it is to be located and then only after a permit has been obtained from the Chief Building Official where such permit is required under township regulations.

6.4 CEMETERY

Cemeteries shall solely conform to the Cemeteries Act.

6.5 CHANGE OF USE

A use of lot, building or structure or the redevelopment of a lot, building or structure which, under the provisions hereof is not permissible within the zone in which such lot, building or structure is located, shall not be changed except to a use which is permissible within such zone or through an amendment to this By-law.

6.6 CONFLICTING STANDARD

Where there are any other conflicting requirements in this By-law, the more restrictive standards shall apply unless specifically stated otherwise.

Where any provision of this By-law conflicts with the provisions of any regulation, By-law or statute of any other government authority, the higher or more stringent standard shall prevail.

6.7 CORNER LOT SIGHT LINES

Notwithstanding any provisions of this By-law to the contrary, within any area defined as sight triangle, the following uses shall be prohibited:

- A building, structure or use which would obstruct the vision of drivers of motor vehicles.
- A fence or tree, hedge, bush or other vegetation, other than agricultural crops, the top of which exceeds 1.0 metre in height above the elevation of the centrelines of abutting streets.
- A parking area.
- A finished grade which exceeds the elevation of the centrelines of abutting streets by more than 0.5 metres.

6.8 CUMULATIVE STANDARDS

Despite anything contained in this By-law, where any land, building or structure is used for more than one purpose, all provisions of this By-law relating to each use shall be complied with.

6.9 DANGEROUS SUBSTANCES

No use shall be permitted which, from its nature or the materials used therein, is declared to be a noxious trade, business or manufacture under The Health, Protection and Promotion Act or regulations there under.

6.10 DAY NURSERIES

Private home day nurseries are permitted in all zones where residential uses are permitted as a principal use. Such day nurseries shall comply with the provisions of the Day Nurseries Act.

6.11 DRIVE THROUGH FACILITY

A drive through facility may be provided in conjunction with any restaurant, bank or bank machine, a gasoline pump at a gas bar or service station, a pharmacy or drug store or with any use that is associated with a shopping centre.

6.12 DWELLING UNITS

6.12.1 Location

No dwelling unit shall in its entirety be located in a cellar. However, a portion of a dwelling unit may be located in a cellar provided such portion of the dwelling unit shall be used only as a furnace room, laundry room, storage room, recreation room, office or for similar use only and shall not be used for sleeping accommodations.

A dwelling unit, in its entirety, may be located in a basement provided that the finished floor level of such basement is located above the level of the sanitary or storm sewer serving the buildings or structure in which such basement is located or provided that the dwelling unit is serviced by an appropriate sewage pumping facility.

No more than one single dwelling unit may be located on a separate lot of record.

6.12.2 Yard Provisions

Where a dwelling unit is located in a non-residential building, such dwelling unit shall comply with the yard provisions of this By-law which apply to the non-residential building.

6.12.3 Established Building Line in Built-Up Area

Notwithstanding the yard setback provisions of the By-law to the contrary, where a permitted building is to be erected on a lot in a built-up area, such permitted building may be erected closer to the street line or the centreline of the street as the case may be if the existing buildings(s) on the adjacent lot(s) is (are) closer to the street line or centreline than the By law provisions permit.

For a proposed building where buildings on both adjacent lots are closer than By-law provisions would permit, setback and yard provisions are calculated as follows: the total of the sum of the two existing adjacent setbacks or yard with the sum divided by two;

For a proposed building where building on one adjacent lot is closer than By-law provisions would permit, setback and yard provisions are calculated as follows: the sum of the existing adjacent setback or yard plus the adjacent By-law requirement, with the sum divided by two;

For a proposed building where buildings on both adjacent lots meet By-law requirement, normal By-law requirements shall apply.

6.13 EXCEPTION ZONE

Where a zone symbol is followed by the suffix "X" this shall mean that a specific exception is being made to one or more of the standards of that zone for a specific area governed by the By-law. All other provisions of the By-law shall continue to apply. A number after the "X" (eg. RX-1) indicates the order of the various exception zones.

6.14 FENCES

Any fence erected hereafter within the municipality shall conform to the provisions of any Fence By-Law as may from time-to-time be enacted under the Municipal Act or the provisions of the Line Fences Act.

Notwithstanding the foregoing all fences erected on properties with frontage along County Road 2 and within the Waterfront Residential Zone shall be subject to a maximum height of 1.8 metres (6 feet).

6.15 FRONTAGE ON A PUBLIC STREET OR ROAD

No person shall erect any building or structure in any zone unless the lot upon which such building or structure is to be erected has sufficient frontage on a public road or street maintained year round, as per the requirements of the applicable zone except for the following:

- A resource related use on Crown Land;
- A communications facility;
- A public utility;
- A wayside pit or quarry
- An existing use located on a resource access road.

6.15.1 Exception for Existing Agreements

Despite Section 6.15, where a maintenance agreement exists between the municipality and a land owner and is registered on title, frontage on an unassumed, unopened or unmaintained public right-of-way shall be deemed to conform to the provisions of this section, provided that such frontage is in conformity with the standards set out in the corresponding zone or any exception thereto.

Despite Section 6.15, where an access agreement registered on title between or amongst landowners that provides for a right-of-way to an existing lot which is developed for a single detached dwelling or seasonal dwelling as of the date of the passing of this By Law, such uses shall be deemed to conform with the provisions of this By-Law for access.

6.15.2 Ministry of Transportation Access Requirements

In addition to all the requirements of the Corporation, all development adjacent to any Provincial Highway is also subject to the requirements and permits of the Ministry of Transportation.

6.15.3 Frontage on More Than One Street

Where a lot fronts on more than one street and is not a corner lot, the requirement for front yards contained in this By-law shall apply to each yard abutting the street in accordance with the provisions of the zone or zones in which such lot is located.

6.15.4 Frontage on Water

Where a lot fronts on a watercourse or waterbody and a street, the requirement for front yards contained in this By-law shall apply to both the water frontage and the street frontage.

6.16 GARDEN SUITES

Subject to the passing of a site specific Temporary Use By law under Section 39 of the Planning Act, a Garden Suite shall be permitted as a separate dwelling unit to a permitted main residential use provided that:

- The minimum lot area is 450 m² (4,844 ft²)
- The maximum net floor area of the garden suite is 50 m² (538 ft.²)
- The maximum height of the Garden Suite is 6 m (19.7 ft.) or the average height of the main buildings on the subject and abutting lots, whichever is the lesser
- The Garden Suite is located in a rear or interior side yard
- Meets the minimum yard and lot coverage requirements set out in the corresponding zone
- The Garden Suite is set back a minimum of 3 m (9.8 ft.) from any rear or side lot line.
- The Garden Suite can be appropriately serviced with water and waste water services.

6.17 GROUP HOMES

Group Homes shall be permitted in all zones that allow residential uses provided that they are licensed by the Province.

6.18 HEIGHT EXCEPTIONS

Where height limitations are set forth in this By-law, such limitations shall not apply to water tanks, flag poles, lightning rods, lighting standards, ventilators, skylights, mechanical equipment penthouses, air

conditioning ducts, antennae, satellite dishes, church steeples, belfries, clock tower, chimneys, electrical supply facilities, an ornamental roof structure that contains no floor area, silos, wind generated pumps and communications towers. Notwithstanding the foregoing, limitations prescribed by the Federal Ministry of Transport or practices recommended by the Ministry with respect to height limitations shall prevail.

6.19 HOLDING ZONES

Any parcel or area of land in any zone on Map Schedules of this By law may be further classified as a holding zone with the addition of the suffix “h”. The intent is to signify Council’s approval in principle to future development of the land for the purposes indicated by the symbol. The holding classification added to a given zone shall restrict development of the land until such time as the demand for the development of the land is sufficient to warrant immediate development.

Where a holding zone applies, no lands shall be used and no buildings or structures shall be erected or used for any purpose other than uses existing on the date of passing of this By-law. Any change from the holding status shall require an amendment to this By-law as per regulation 199/96 of the Planning Act R.S.O.1990 and the Corporation may require that the applicant enter into an agreement for the development of the land prior to the amendment being adopted.

6.20 HOME OCCUPATIONS AND HOME INDUSTRIES

6.20.1 Home occupation

Home occupation shall be permitted as an accessory use in residential zones in accordance with the following provisions:

- Such home occupation shall be clearly secondary to the main residential use and shall not change the residential character of the dwelling or the dwelling unit.
- Not more than twenty-five percent (25%) of the dwelling or dwelling unit area or a maximum of fifty-five (55) square metres, whichever is the lesser, shall be used for the purpose of the home occupation.
- Other than members of the family, not more than two additional persons shall be engaged in the home occupation.
- There shall be no external display or advertising other than a legal sign, not larger than 0.5 square metres, to indicate to persons outside that any part of the dwelling, dwelling unit or lot is being used for a purpose other than residential.
- There shall be no open storage of materials, products or equipment.
- The home occupation shall not create or become a public nuisance, in particular with regard to noise, traffic or parking, nor shall the home occupation interfere with television or radio reception.

6.20.2 Home Industries

Home occupation shall be permitted as an accessory use in non-residential zones in accordance with the following provisions:

2012 Comprehensive Zoning By-Laws

- The accessory building being used by the home industry shall be located on the lot at a setback from the abutting road or street which is fifteen (15) metres greater than the setback required by this By-Law for the main building on the lot.
- Such home industry shall be clearly secondary to the main residential use and shall not change the residential character of the dwelling.
- Such home industry shall not be an obnoxious trade, business or manufacture.
- Other than members of the family, not more than two additional persons shall be employed by the home industry.
- There shall be no external display or advertising other than a legal sign, not larger than 1 square metre, to indicate to persons outside that any part of the lot is being used for a purpose other than residential.
- There shall be no open storage of materials, products or equipment.
- The home industry shall not create or become a public nuisance, in particular with regard to noise, traffic or parking, nor shall the home industry interfere with television or radio reception.

6.21 ILLUMINATION

Illumination of buildings and grounds shall be permitted provided that:

- Illumination shall not cause direct or indirect glare on a street that may interfere with traffic or pedestrian safety.
- Illumination shall not consist of a colour or be so designed or located that it may be confused with traffic signals.
- Illumination shall not cause direct or indirect glare on adjacent properties.

6.22 LANDSCAPED OPEN SPACE

In any Residential, Commercial or Industrial Zone, any portion of any front yard which is not used for any other permitted purpose shall be devoted to landscaped open space.

Provisions for landscaped open space as buffering are included under the specific zones in this By-law.

Where landscaped open space is required as a buffer, such landscaping shall be continuous except for lanes, driveways, aisles or walkways which provide access to the lot.

6.23 LAND SUITABILITY FOR USE AND ORGANIC SOILS

Despite any other provision of this By-Law, no habitable building or structure shall be constructed, erected, altered or used on land which, by reason of its rocky, low lying, marshy, unstable character or which is located or may be located on organic soil as shown on Schedule B of the Augusta Township Official Plan unless the proponent or applicant for development can demonstrate conclusively using scientific approaches that the physical constraint can be mitigated or overcome and that the requirements of the Ontario Building Code with respect to construction and the requirements of the Ontario Water Resources Act and the Environmental Protection Act with respect to the installation of an individual on-site sewage and water system can be met.

6.24 LOADING REQUIREMENTS

The owner or occupant of any lot, building or structure located in an Industrial or Commercial Zone which involves the frequent receiving, shipping, loading or unloading of animals, goods, wares,

2012 Comprehensive Zoning By-Laws

merchandise or raw materials shall provide and maintain on the lot occupied by the building or structure, loading spaces in accordance with the following regulations:

6.24.1 Number of Spaces Required

The number of loading spaces provided shall be in accordance with the floor area of the building or structure as follows:

Floor Area of Building	Number of Loading Spaces
250 m ² or less	0
Exceeding 250 m ² but not 1,000 m ²	1
Exceeding 1,000 m ² but not 7,500 m ²	2
Exceeding 7,500 m ²	2 plus 1 additional space for each additional 7,500 m ² of floor area or fraction thereof in excess of 7,500 m ²

6.24.2 Size of Loading Space

Each loading space shall be at least 14 m long, 4.0 m wide and have a vertical clearance of 4.5 m.

6.24.3 Location

The required loading spaces shall be provided on the lot occupied by the building or structure for which the spaces are required and such spaces shall not form part of any street or required parking area, and shall not be located within a required front yard or exterior side yard.

6.24.4 Access

Access to loading spaces shall be by means of a driveway at least 4.0 m wide for one way traffic and 6.0 m wide for two way traffic and located within the lot on which the loading spaces are located.

6.24.5 Cumulative Standards

Where there are two or more uses located on the same lot, the loading space requirements shall be the sum of the requirement for each use.

6.24.6 Additions to Buildings

The loading space requirements shall not apply to any building or structure in existence at the date of passing this By-law so long as the floor area, as it existed at such date, is not increased. If an addition is made to the building or structure which increases the floor area, then additional loading space shall be provided as required in Section 6.24.1 for such addition.

6.25 LOTS DIVIDED INTO MORE THAN ONE ZONE

Where a lot is divided into more than one zone, each such portion of the lot shall be used in accordance with the provisions of this By-law for the zone where such portion of the lot is located. Each such portion of the lot shall be considered as a separate lot for the purpose of determining zone provisions. Notwithstanding the foregoing, for lots which are partially in a holding zone of the “h” type, the entire lot shall be used to determine zone requirements such as area, frontage, coverage, and setbacks.

6.26 NON-CONFORMING AND NON-COMPLYING USES

6.26.1 Continuance of Existing Uses

Nothing in this By-law shall apply to prevent the use of any land, building or structure for any purpose prohibited by the By law if such land, building or structure was lawfully used for such purpose on the day of the passing of the By-law so long as it continues to be used for that purpose.

6.26.2 Prior Building Permits

Nothing in this By-law shall prevent the erection or use of any building or structure for which a building permit has been issued under the Building Code Act prior to the passing of this By law, so long as the building or structure when erected is used and continues to be used for the purpose for which it was erected and provided the permit has not been revoked under the Building Code Act.

6.26.3 Road Widening

Nothing in this By-law shall prevent the use of any land, building or structure or the erection of any building or structure on a lot which does not comply to the minimum lot frontage and/or lot area and/or front yard setback and in the case of a corner lot, the side yard setback, as a result of a road widening taken by the Township of Augusta, the United Counties of Leeds and Grenville and the Ministry of Transportation of Ontario, provided all other requirements of this By-law are complied with.

6.26.4 Reconstruction or Repair of Existing Building

A building or structure being used for a legal non-conforming use may be reconstructed, renovated, repaired or strengthened to a safer condition where such building or structure was lawfully used for such purpose on the day of the passing of this by-law and continues to be used for such purpose, provided that the building or structure is constructed in conformity with the requirements of this by-law. Where such building or structure is also an existing legal non-conforming building or structure, the building or structure may be reconstructed, renovated, repaired or strengthened to a safer condition provided that the building or structure does not further reduce any zoning requirements.

If a non-conforming building located in a flood plain area is damaged or destroyed by flooding, it may be reconstructed in accordance with the requirements of the South Nation or Rideau Valley Conservation Authorities or the Ministry of Natural Resources.

6.26.5 Addition to Existing Building or Structure

Nothing in this By-law shall prevent the renovation, extension or addition to a building, structure or private sanitary sewage disposal system which is used for a purpose specifically permitted within the zone in which such building or structure is located and which building or structure existed at the date of passing of this By law but which building or structure does not comply with one or more of the zone requirements of this By-law, provided such renovation, extension or addition does not further reduce

2012 Comprehensive Zoning By-Laws

the requirements of this By-law and does not contravene any other requirements of this By-law or any requirements of Ministries and agencies.

6.26.6 Existing Undersized Lots

Despite anything else contained in this By-law, where a vacant lot lawfully created having a lesser frontage and/or area than is required by this By law is held under distinct and separate ownership from adjoining lots, according to the register for land in the Land Titles, or Registry Office, on the date of the passing of this By-law, it may be used for a purpose permitted in the zone in which the said lot is located, provided it can be adequately serviced and that all other applicable provisions in this By-law are met.

6.26.7 Accessory Buildings

Nothing in this By-law shall prevent the erection of a building accessory to an existing non-conforming use provided that such accessory building complies with all relevant provisions of this By-law.

6.26.8 Change of Use

The non-conforming use of any land, building or structure shall not be changed except to a use which is in conformity with the provisions of the zone in which the land, building or structure is located, without permission from the Committee of Adjustment pursuant to the Planning Act, R.S.O., 1990.

6.26.9 Non-conforming by Reason of Metric Conversion

Existing lots, buildings and uses which cannot meet one or more metric standards in this By-law but which can meet the approximate value of the imperial equivalent standard shall not be deemed non-conforming for this reason only.

6.27 NOXIOUS USES

No use shall be permitted which from its nature or the materials used therein, is declared to be a noxious trade, business or manufacture by the Public Health Act or any regulations made there under.

6.28 OCCUPANCY RESTRICTIONS

Human habitation shall not be permitted in any of the following buildings, structures, or parts thereof unless the building, structure, or parts thereof meet all requirements of the Fire Code, the Ontario Building Code and any other applicable regulations, policies, or Acts:

- Any private garage or other building which is accessory to a residential use;
- Any truck, bus, recreational vehicle, coach or streetcar body whether or not it is mounted on wheels.

6.29 OUTDOOR FURNACES

Outdoor furnaces shall not be permitted in any residential zone. In other zones outdoor furnaces shall only be permitted in rear yards and shall be located a minimum of 30 metres (98.4 feet) from any lot line.

6.30 OUTDOOR ILLUMINATION

Outdoor illumination of buildings, structures or yards including parking areas shall be permitted provided the fixtures are so designed and installed that the light is directed downward and deflected away from adjacent lots and public streets.

6.31 OUTSIDE STORAGE, SALES AND DISPLAY

No person shall use any lot or part thereof for outside storage, sales or display except as permitted by this By-law and as an area which has been specifically designed and set aside for such purpose, is fully integrated with the main use of the lot and is in accordance with the following:

- Outside storage shall not be permitted within any required front yard and no closer than 5.0 m (16.4 ft.) to any side or rear lot line.
- Where outside storage areas abut a zone in which residential uses are permitted, the required setback of the outside storage area shall be increased to 10.0 m (32.8 ft.) and must also be visually screened from any zone in which residential uses are permitted.
- Any areas used for outside storage shall be in addition to any minimum off-street parking or loading areas required by this By-law.
- The above provisions do not apply to the outside storage for Home Occupation in non-residential zones (see Section 6.20).

6.32 PARKING AND STORAGE OF VEHICLES

6.32.1 General

Except as provided herein, no vehicles shall be parked or stored in a zone in which residential uses are permitted unless the vehicle is located within a garage, carport, driveway, designated parking area or on a street as permitted by Municipal By-law.

No parking space in a zone in which residential uses are permitted shall be used for the outdoor parking or storage of a motor vehicle unless such vehicle is used in operations incidental to the main permitted use of the lot on which it is parked or stored.

Each standard parking space shall have a minimum width of 3.0 m (9.8 ft.) and a minimum length of 6.0 m (19.7 ft.). Each barrier-free parking space shall have a minimum width of 3.7 m (12.1 ft.) and a minimum length of 6.0 m (19.7 ft.).

Unless permitted elsewhere in this By-law, where two or more uses are permitted in any one building or on any one lot, then the off-street parking requirements for each use shall be calculated as if each use is a separate use, and the total number of off-street parking spaces so calculated shall be provided.

The parking space requirements shall not apply to any building in existence at the date of passing of this By-law so long as the gross floor area, as it existed at such date, is not increased and no change in use occurs. If an addition is made to the building or structure which increases the gross floor area, or a change in use occurs, then parking spaces for the addition or area changed in use shall be provided.

6.32.2 Parking area for more than four vehicles, supplementary regulations:

The parking area shall be constructed of crushed stone, asphalt paving, concrete, paver stones, or similar materials and shall be maintained and treated so as to reduce dust, scattering of stones and similar undesirable effects on adjoining properties and shall incorporate drainage facilities that comply with the requirements of the Corporation.

Ingress and egress directly to and from every parking space shall be by means of a driveway, lane or aisle having a width of at least 6.0 m (19.7 ft.) for two-way traffic and 3.5 m (11.5 ft.) for one-way traffic where parking is angled.

A driveway or lane which does not provide ingress and egress directly to a parking space, shall have a minimum width of 3.5 m (11.5 ft.) where designed for one-way vehicular circulation or 6.0 m (19.7 ft.) where designed for two-way vehicular circulation.

6.32.3 Barrier Free Parking

Wherever barrier-free access to a building is required under the Building Code, one barrier-free parking space shall be provided for every 20 standard parking spaces or part thereof and shall be included in the total number of parking spaces required under the Schedule for Parking Requirements.

6.32.4 Location and Number of Spaces

The required parking for residential uses of land shall be provided on the same lot as the dwelling unit. In all other zones, parking shall be provided within 100 m (328 ft.) of the building or lot it is intended to serve, subject to an agreement, deed or renewable lease which provides for same.

Despite Section 6.30.5, if the calculation of the minimum parking space requirement results in a fraction, the minimum requirement shall be the next higher whole number.

6.32.5 Schedule for Parking Requirements

In any zone, the owner or occupant of any building or structure erected, enlarged or changed in use after the date of passing of this By-law shall provide off-street parking in accordance with the following provisions:

USE	MINIMUM NUMBER OF REQUIRED PARKING SPACES
Residential:	2 spaces per dwelling unit Row and Apartment dwellings require 1.25 spaces per dwelling unit
Auto body shop, auto repair shop, auto service station, gas bar	3 spaces per service bay plus 1 space per employee

All other uses not listed above	1 space per 30m ² of Gross Floor Area

6.33 PERMITTED PROJECTIONS

Every part of any yard required by this By-law shall be open and unobstructed by any structure from the ground to the sky except that those structures listed in the following table shall be permitted to project into the minimum yards required by this By-law for the following specified distances:

STRUCTURE	MAXIMUM PROJECTION INTO REQUIRED YARD
Chimney breasts, cornices, sills, bay windows, pilasters, eaves or gutters	0.75 m (2.46 ft.) into any required front, rear or side yard
Canopies which are at least 2.13 m (7 ft.) in vertical clearance above the established grade, with or without supporting posts	2.0 m (6.5 ft.) into any required yard
Canopies for entrances to apartment buildings and commercial buildings	Despite any other provisions in this By-law, a canopy or portico over a major entrance to an apartment building or commercial building may project into the required yard a distance equal to one-half (1/2) the setback of the building from the street line
Air conditioners / Heat Pumps	1.0 m (3.28 ft.) into any rear yard or exterior side yard
Window awnings	1.2 m (3.9 ft.) into any required yard
Steps, ramps for use by handicapped, and walkways	No maximum into any required yard
Unenclosed porch, patio, balconies or steps	1.5 m (4.9 ft.) into any required front or rear yard
Deck	Setbacks from side or rear lot lines shall be equal or less than the height of the top of deck or 1.5 metres whichever is the greatest.

6.34 PORTABLE ASPHALT / CEMENT PLANT

Portable asphalt/cement plant will be permitted without the need for rezoning, in all zones except in any Residential Zones, Environmental Constraint Zone (EC) and the Wetland Zone (W).

6.35 PRIVATE SWIMMING POOLS

Private swimming pools, both above-ground and in-ground, outdoor and indoor, shall be permitted subject to any By-law of the Township regarding swimming pools and the following requirements:

6.35.1 Outdoor Pools

Any building or structure, other than a dwelling, required for changing clothing or pumping, filtering or storage or any similar purposes shall comply with the provisions respecting accessory uses and structures.

No part of an outdoor pool including an associated apron or platform which is in a front or side yard shall be constructed closer to a street line than the requirements for a main building in the zone within

which it is located nor closer to the lot line in a rear yard than the minimum distance required for an accessory use or structure.

6.35.2 Indoor Pools

Indoor pools which are not an integral part of a dwelling unit or part of a municipal or private recreational facility shall conform with the accessory building requirements contained in subsection 6.1.

6.36 PROHIBITED USES

Except as specifically permitted in this By-law, the following uses are prohibited:

6.36.1 Kennels

The establishment or operation of a kennel is prohibited in any residential zone. In zones where Kennels are permitted, all structures and/or enclosures associated with the kennel's operation shall be set back in accordance with By-law 2724 a By-law for the Control, Protection and Identification of Dogs as may be amended from time to time. The establishment of new kennels shall be subject to site plan control.

6.36.2 Mobile Homes

The placement or use of mobile homes is prohibited except on lands which are zoned to specifically permit a mobile home.

6.37 PUBLIC USES

Any land may be used and any building or structure may be erected or used for the purpose of a public service by the Corporation or by local Boards, Commissions or Committees thereof, any department or agent of the United Counties of Leeds and Grenville or the Government of Ontario or Canada, including Hydro One Networks Inc., provided that:

- The lot coverage, setback and yard requirements prescribed for the zone in which such land, building or structure is located shall be complied with, except for transmission facilities for gas, telephone, cable and electric power (i.e. poles, towers, lines and similar elements);
- No goods, material, or equipment shall be stored in the open except in accordance with the provisions of section 6.29;
- Any building or structure erected in a Residential Zone shall be designed and maintained in general harmony with the residential buildings of the type permitted in the zone.

6.38 RAILWAY CROSSINGS AND SIGHT DISTANCE

Where any road or street crosses a railway at the same grade, no building or structure or other visual obstruction shall hereafter be erected within the sight triangle established by measuring from the point of intersection of the centrelines of the road and the railway right-of-way, 45 m along the centreline of the road and 215 m along the centreline of the railway right-of-way.

6.39 SECONDARY SUITES

Secondary Suites may be permitted subject to the following provisions:

2012 Comprehensive Zoning By-Laws

A secondary suite shall be capable of integration into the principal dwelling once the secondary suite use is no longer required.

A Secondary Suite shall only be permitted in a single dwelling unit, a semi-detached or duplex dwelling unit and in a row dwelling. Where provided in a single detached or semi-detached dwelling the entrance provided to the secondary suite shall not be located on the same street elevation as the principle entrance to the primary dwelling. At no time shall there be more than one (1) additional bedroom created by the provision of the secondary suite. The secondary suite may not be larger than twenty-five (25) percent of the gross floor area of the primary dwelling.

All secondary suites will be required to submit documentation that demonstrates Ontario Building Code compliancy.

6.40 SIGHT TRIANGLES

Within any area defined as a sight triangle, the following uses shall be prohibited:

- A building, structure, or use which would obstruct the vision of drivers of motor vehicles;
- A fence, tree, hedge, bush or other vegetation, other than agricultural crops;
- Any portion of a delivery space, loading space, driveway or parking space;
- A berm or other ground surface which exceeds the elevation of the street by more than 0.6 metre.

For the purpose of this By-Law, the following sight distances shall apply:

- fifteen (15) metres (49.2 ft.) in all commercial and industrial zones and rural zones;
- ten (10) metres (32.8 ft.) in all other zones.

6.41 SIGNS

Except as otherwise permitted in this By-law, commercial or advertising signs shall not be permitted on a residential lot or in a residential zone. Where permitted the use of signs shall be in accordance with the following provisions:

- No sign, whether temporary or permanent, shall be located within 3m (9.84 feet) of any lot line. Notwithstanding the above, no sign in a commercial or industrial zone shall be located within 15 m (49.21 feet) of a lot line abutting a residential or public use or a residential zone.

6.42 SPECIAL SETBACKS

No person shall use any land, building or structure for a sensitive use (e.g. residential use, daycare centre, educational or health facility) unless it complies with the following minimum distance separations, influence areas or special setbacks distances, influences areas or setbacks shall be measured as set out for the respective requirement.

6.42.1 Setback from CN Rail Line

The setback shall be as determined by a noise and/or vibration study if such is required by Council and shall be generally measured from the point source of the emission to the property line of the receptor land use.

6.42.2 Minimum Distance Separation I and II (MDS)

All development must be in accordance with the MDS formulae as defined in the Implementation Guidelines as documented by the Ministry of Agriculture, Food and Rural Affairs.

6.42.3 Setbacks from Existing Agricultural Operations and Livestock Buildings

New residential development shall be setback a minimum distance in accordance with MDS calculations.

6.42.4 Waste Disposal Zone

The influence area shall be 500 m (1,640 ft.) for a sensitive land use (e.g. residential use, daycare centre, educational or health facility) measured from the boundary of the (licensed) fill area to the nearest property line of the sensitive use. Within the influence area, no sensitive land use shall be permitted unless an Environmental Impact Assessment is undertaken, to the satisfaction of the approval authority, to demonstrate that the proposed development will not negatively be impacted by the waste disposal zone (e.g. leachate migration, methane gas, rodents, vectors, vermin, odour, litter, noise, etc.)

No development shall be permitted within 50 m (164.0 ft.) of the (licensed) fill area of an active waste disposal zone;

6.42.5 Pits and Quarries

The influence area shall be 300 m (984 ft.) for a pit or 500 m (1,640 ft.) for a quarry for a sensitive land use (e.g. residential use, daycare centre, educational or health facility) measured from the boundary of a Mineral Aggregate Resource Area. Within these influence areas, no sensitive land uses including the creation of new lots for such uses shall be permitted unless appropriate measures have been undertaken to mitigate adverse or potential adverse impacts in accordance with section 5.2.5 of the Augusta Township Official Plan.

6.42.6 Industrial Uses

Class I Industrial: The minimum separation distance from a sensitive land use (e.g. residential use, daycare centre, educational or health facility) shall be 20 m (65.6 ft.) and shall be measured in accordance with MOE Guideline D-6.

Class II Industrial: The minimum separation distance for this industrial classification from a sensitive land use (e.g. residential use, daycare centre, educational or health facility) shall be 70 m (229.6 ft.) and shall be measured in accordance with MOE Guideline D-6.

Class III Industrial: The minimum separation distance for this industrial classification from a sensitive land use (e.g. residential use, daycare centre, educational or health facility) shall be 300 m (984.2 ft.) and shall be measured in accordance with MOE Guideline D-6.

6.43 STORAGE / SHIPPING CONTAINERS

The use of a Storage / Shipping Container as an accessory use on a lot zoned for residential purposes is prohibited.

The use of a Storage / Shipping Container as an accessory use in a commercial or industrial zone may be permitted subject to the following provisions:

2012 Comprehensive Zoning By-Laws

- the container shall be located in a rear yard or side yard in accordance with the setbacks for an accessory building;
- A building permit is required prior to the installation of the container
- The use of a cube van box, a trailer or part of a vehicle as a storage container is prohibited.
- The temporary use of a storage container on a residential lot is permitted where such container is required for temporary storage during construction or renovation.

6.44 STREETS AND PARKS

In any zone established by this By-law, streets, walkways, bike paths and parks are permitted.

6.45 TEMPORARY BUILDINGS OR STRUCTURES DURING CONSTRUCTION

Nothing in this By-law shall prevent the use of land or the use or erection of a temporary building or structure or a scaffold or other equipment essential to the construction in progress for which a building permit has been granted, but only until such time as the work has been finished or abandoned or such equipment is no longer required.

In addition, temporary accommodation for a business or other use which is intended to occupy a building which is under construction with the work in progress on such building, may be temporarily permitted on the same lot in the form of a mobile, relocatable, portable or transportable building provided that:

- Approval is obtained pursuant to the matters contained herein; and
- Such temporary accommodation is removed from the lot immediately upon completion of construction, abandonment of construction or at such time as in the opinion of the Corporation it is no longer required.

6.46 USE BY PUBLIC AUTHORITY OR PUBLIC UTILITY

The provisions of this By-law shall not apply to the use of any land or to the erection or use of any utility installation for the purpose of public service by the Township of Augusta, the United Counties of Leeds and Grenville and/or any public authority, any department of the Government of Ontario or Canada, including any Hydro One Networks Inc. facilities pursuant to the Planning Act, provided that where such land, building or structure is located in or abutting a zone in which residential uses of land are permitted:

- No goods, materials or equipment shall be stored in the open;
- The lot coverage and setback regulations of the zone in which such land, building or above ground structure is located shall be complied with;
- Any building erected under the authority of this section shall not be used for the purpose of an office;
- Parking and loading requirements as contained in this By-law shall be complied with.

6.47 WATER AND SEWAGE DISPOSAL SYSTEMS

No person shall hereafter erect or use in whole or in part, any building or structure for any residential, commercial or industrial use with the exception of warehousing or storage facilities, on any land unless

2012 Comprehensive Zoning By-Laws

the use, building or structure is properly connected to an approved water supply and sewage disposal system.

7.0 ZONES

7.1.2 INTERPRETATION OF ZONE BOUNDARIES

When determining the boundary of any zone as shown on any Schedule forming part of this By-law, the following provisions shall apply:

1. A boundary indicated as following a highway, street or lane shall be the centre line of such highway, street or lane;
2. A boundary indicated as following a watercourse, creek, stream or the right-of-way of a railway or an electrical, gas or oil transmission line shall be the centre line of such watercourse, creek, stream or right-of-way;
3. A boundary indicated as following the shoreline shall follow such shoreline, and in the event of a change in the shoreline, the boundary shall be construed as moving with the actual shoreline;
4. A boundary indicated as approximately following lot lines shown on a Registered Plan of Subdivision, or Reference Plan, or Township lot lines shall follow such lot lines;
5. Where a boundary is indicated as approximately parallel to a street line or other feature, indicated in clause (a), (b), and (c) above, and the distance from such street line or other feature is not indicated, and clause (d) above is not applicable, such boundary shall be construed as being parallel to such street line or other feature, and the distance there from shall be determined according to the scale shown on the appropriate Schedule;
6. A boundary indicated as following the limits of the Municipality shall follow such limits.
7. In the event a dedicated street, lane or right-of-way shown on any Schedule forming part of this By-law is closed, the property formerly in such street, lane or right-of-way shall be included within the zone of the adjoining property on either side of such closed street, lane or right-of-way. If a closed street, lane or right-of-way is the boundary between two or more different zones the new zone boundaries shall be the former centre line of the closed street, lane or right-of-way.
